Christmas Card Theme Large Outdoor Display

By Vivian Faulkner

The Christmas scene at the High School this year is a giant three-dimensional Christmas card to the residents of the Campbell area. The right side of the card reads "Merry Christmas and Happy New Year" in large gold letters while the left side depicts a traditional Christmas scene with two large snow-men in the foreground, a log cabin, and a large fir tree, with a skyline of small trees on a rolling hillside in the background.

The scene is displayed on a 15 by 40 board which is to be standard. Each year the pictorial scene will be changed while the inscription will remain. The giant card was designed by Robert Culp, Wood shop instructor; and Wesley Berg, Art instructor; with most of the work on the project being done by Culp, Berg and Frank Meiss of the Metal shop and electrical department. Painting was done by the Art Crafts department under the direction of Berg, and was assembled by the Industrial Arts classes, under the supervision of Culp. Colored floodlights will illuminate the scene at night and music will be piped out from the school.

The project was built at a cost of $350 and is sponsored and being paid for by Campbell merchants.

Winchester Shop Center Ordinance Approved

The zoning ordinance for the million dollar shopping center at Latimer avenue and Winchester Road was approved by the city council Monday, while another for the annexation of 13 acres on West Rincon and Virginia avenues was approved.

The 13 acre shopping center, the second one approved in Campbell in the last three months, is to include nine acres for the shopping center and the remainder for a 19 unit duplex development. The center is designed for a large super market and from 15 to 20 stores and will have parking facilities for 300 cars. Property is owned by H. Y. Rice. Developers Ira Dunlap of San Carlos, H. E. Goss of Menlo Park, Frank Bartlett of San Mateo, D. A. Raybould of San Mateo and J. Frank Barrett of San Francisco expect to have work under way there within 90 days.

The other million dollar shopping center approved is to be at Hamilton avenue and the Los Gatos-San Jose Highway, both in Campbell.

The council took no action Monday night on filing a protest over proposed closing of the S. P. depot. A letter from the Public Utilities Commission indicated there is no mail being carried by rail to Campbell and little or no outgoing shipments. The company reported telegram revenues to be about $2 per year and a carload checker service would be maintained with Harry Story as key custodian.

Councilmen said Campbell is within the San Jose yard limits and felt that if the depot were closed and operated from the San Jose office then freight rates should be changed accordingly the local rate now being higher than is the San Jose rate.

Malcolm Byrne who presented the map was advised by the commission the building lots be not less than 6000 square feet, the fifty foot wide streets would have to be 36 feet of paving and that there be at least fifty foot right of way left for flood control work along San Tomas Aquino Creek to allow equipment to move in clearing or widening of the channel. Cyclone fencing would also have to be set up along the subdivision's creek frontage.

A hearing was set for January 6 in enlarging sizes of four lots at Leigh and Sheffield by eliminating one lot.

The commission approved application of Jimmie Scavuzzo to erect a 2 by 3 foot sign at his property, 365 Harrison avenue and they continued to January 20 the hearing on use permit application for enlarging facilities of the Assembly of God Church on North Winchester Road.

Commissioner Guy Farley, who has held office since the city was first incorporated, announced that he is resigning because of health effective January 1. A card party to raise money for school projects has been planned for the 28th of January. A committee is being organized to arrange refreshments and prizes. John Nevin reported on plans for the Christmas party to be held December 16. Each class will present part of the program and return to the classroom to wait for a visit from Santa Claus. Sammy McGinty heads the committee to decorate the tree. The problems of rugs for the kindergarten, a screen for the multi-use room and benches for the school yard, still face the executive board.

One Hundred At Garden Club Christmas Party

One hundred guests attended the annual Christmas Tea given by the Campbell Garden Club last Wednesday. For a centerpiece on the tea table covered with filmy green gauze, Mrs. A. F. Leal, program chairman, fashioned a conventionalized tree of holly leaves and Christmas balls. Mrs. Robert M. Dunn, president, and Mrs. Lloyd Brown, past president, presided over the tea table.

Jack Mieuli Jr., of Navlet Florist, demonstrated the art of making Christmas decorations and stressed that they should never be made in a hurry. One of his creations consisted of manzanita wood to which he attached small branches of pepper tree covered with white flocking to simulate snow, with small choir boys figurines grouped around the base. Another done in the modernistic manner was of white Christmas bells and shocking pink ribbon. An orchid, presented by Mieuli for door prize, was won in a drawing by Mrs. Olive Parysek.

Co-chairmen for the Tea were Mrs. Henry Snell and Mrs. Milton Parker. Assisting them on their committee were all new members of the past year. They are Mesdames Thomas Totaro, J. M. Conlon, John Thompson, Anna Feasel, Glen Kellog, and T. M. MaHaffey.

IN CAMPBELL'S KITCHENS

This week we have a recipe for the famous "Million Dollar Fudge" which keeps fresh and moist for several weeks if not stored in a tightly closed container. This is an ideal candy to send to men in the service or to relatives far away as the recipe has a yield of five pounds. We suggest the milk chocolate bars be broken into pieces, the package of chocolate bits opened and the marshmallow cream softened before mixing any of the ingredients because it keeps one person quite busy to get all these added and stirred before the candy starts to harden.

....MILLION DOLLAR FUDGE....
5cups white sugar
1 tall can evaporated milk
2 25-cent milk chocolate bars (or 1 pound bar)
2 packages chocolate bits
2 cups nut meats
1 pint marshmallow cream

Boil the sugar and milk together, timing it 9 minutes from the moment it starts to boil. Stir constantly. Remove from the heat. Place in a pan of cold water and add rest of ingredients. Beat until the consistency of fudge. Either drop by teaspoonsful, or pour into a large buttered pan and cut into squares when cool.

Our persimmon cake recipe is also a famous recipe which has been handed down through generations of an old Spanish family and was the property of Mrs. William Bailey, former home economist for Stanford University. It is actually a fruit cake and keeps indefinitely.

PERSIMMON CAKE
Mix
2 cups persimmons, peeled
2 cups sugar
2 cups nuts
2 cups raisins
½cup citron, candied
1 package of assorted candied fruit (optional)
2 tablespoons oil
Sift together
3cups flour
2 teaspoons cinnamon
2 teaspoons soda
1 teaspoon salt
Alternate with
1 cup of milk

Mix all ingredients thoroughly and pour into a greased and floured tube cake pan. Bake 325 degrees for 1½ hours.

EDITORIAL

SAN JOSE EDGING CLOSER

Once again the City of San Jose has thrown out a loop to snare more land for annexation, this time taking in all the area on which the new Camden High school is to be located. It was just one year ago that the voters of the Campbell Union High School district approved 3792 to 902 a two and a half million dollar bond issue so that this school might be realized.

Next Monday the County Boundaries Commission is to consider a map filed by San Jose titled Union No. 1, taking in some one hundred acres from Union avenue to Camden avenue and from the San Jose-Los Gatos Road easterly to their annexed strip in the direction of Almaden. A lot of building is already under way there, but legally it is uninhabited, which makes it vulnerable to another steal.

MUSIC IN CAMPBELL

There is such a varied lot of music in store for Campbell in the next week, we can't help but feel that everyone will benefit from it. Frank Triena and his A Capella choir from the high school always has a masterful performance, and tonight at the A Capella Music Festival at San Jose this group of 72 trained young voices will give a good account of themselves.

Tomorrow evening at the High School Auditorium, a concert is to be presented in which a lot of light opera favorites will be heard from established talent. The Victor Herbert, Sigmund Romberg and other favorite composers will have their songs presented to an appreciative audience. There will be band numbers directed by our own Sam Cava. This is a musical treat which deserves good response.

Next Monday at the High School, the famous American pianist Theodore Ullman is to be presented in a concert at just about clerical costs. He usually is heard by audiences paying six dollars a seat, but through the American Association of Artists he has been booked to appear here as a Christmas gift to the community. It is understood that he is to play Ravel, Brahms, Beethoven and Shostokovich, his feature number being the "Moonlight Sonata."

There is music for everyone's taste, real, live music that will give a spiritual lift.

WILL YOU COOPERATE?

Wait a minute—and think! Next Wednesday is not to be just another day in which you may start your activities in the same old way. It is to be S-D day.

The President of the United States, the Governor of California and the Mayor of Campbell have all joined in asking you to drive safely on that day and not to become a statistic.

The score is to be kept that day, Safe Driving Day, as an unique experiment. It is to be a demonstration of how much you and many others can cooperate in cutting down the tragic toll of traffic accidents throughout the nation.

It is hoped that through this cooperation the record for the day will show a much lower rate of death and injury than last year when the average was one traffic death in every 14 minutes and one injury in every 23 seconds.

Police Chief Locke has appeared at most of the schools to impress on children the need for safety. He says that it not only is the motorist who must be careful, but also the pedestrian who often does things thoughtlessly.

Be alert and you will help. No one can put a dollar value on grief or misery. But there are plenty of statistics to prove to each of us that safety pays, in more ways than one. Be a courteous motorist, a cautious, alert pedestrian and you may be sure then that safety is on your side. It won't hurt you one bit to take it easy on S-D day.

BREAKS FOR THE MOTORIST

An amusing, and also significant, commentary on the kind of service we expect from service stations is found in a sign a New England operator posted when he took a vacation. It read: "We are closing up for two weeks. The services we usually provide may be had at the following places: 1. General Information—from cop on beat. 2. Soft drinks—at corner drugstore. 3. Rest Rooms—at home. 4. Change — a bank across the street. 5. Petty Loans—also at bank across the street. 6. Charity — at County farm. 7. Matches—from passers-by. 8. Newspapers — from newsboy. 9. Loafing—in the street."

Actually—all humorous exaggerations to one side—the typical American service station knows no superiors and few equals. It is symbolic of our highly competitive oil industry in particular—and of our free system of doing things in general. The contrast with the service stations in most other countries is striking. When the retired president of the Automotive Safety Foundation retturned from a European motor trip last summer, he was asked about the foreign stations, and he said: "Nobody wiped my windshield or checked my oil. They have simply never heard of such a thing as service over there. What do you mean, were the rest rooms clean? They never heard of rest rooms ... As for the TBA—as we call tires, batteries and accessories sales—they never heard of that either."

The American motorist really gets the breaks.

I told my wife the other day that our little six-year-old reminded me of "A Christmas Carol" because he was such a little "Dickens"! CC

The Campbell Gambol

SOME INTERESTING and some queer people are sometimes met up with when one travels about, and I suppose it takes all kinds of people to make life interesting . . . going down on the plane a fortnight ago I was seated next to a man from New York, a member of the stock exchange there who had come out to see his sister at San Francisco whom he said had cancer and but a short time to live and before going back he decided to take a quick trip to Santa Barbara to see his daughter and look over some oil properties at Ventura and some mining properties in Nevada that were listed on the exchange, doing all of this within two weeks from start and return at New York . . . on the return flight I sat with a man out on a service call from Los Angeles to the San Jose State College to do some accoustical work at the new auditorium, but we did not land at San Jose because of the fog and went on to San Francisco then to be returned by taxicab to the airport at San Jose where some college representative had been waiting for him for two hours . . . . arriving at the International airport in Los Angeles, two hours late because of being grounded at Monterey under 0-0 ceiling, seemed that skycaps were all off duty, and some haughty lady was quite concerned that there was no one on hand to take her three pieces of luggage from the truck to the place where the limousine was to call for air passengers . . . I was busy getting my return ticket confirmed, but seeing her so much in distress I volunteered to carry the luggage for her and she tried to give me a one dollar bill as a tip, but I thanked her, as she said, "you know, my deah, my daughter is in the pictures in Hollywood, and I am to meet her at the Ambassador Hotel" so I told her she would be on a different limousine than mine as I was going to the Biltmore, at which she pulled out her lorgnette and gave me a good looking over . . . we got off at the Biltmore and I walked through the lobby to Olive street then to Hill street and the Clark hotel where I had engaged a room.

EIGHT O'CLOCK On Monday morning at the main entrance to the Biltmore, I had about a ten minute wait for the limousine to take me to the airport . . . there were probably a dozen men there also waiting for conveyance, so was quite amazed as a lady who was not too shabbily dressed stepped up to me and asked for "four bits for a breakfast" and she kept on making the rounds of the other men . . . then two women came along, one rather tall and using a cane in one hand and carrying a large handbag in the other . . . . both, I though, seemed well appearing, but just in front of me by the edge of the Biltmore door the tall lady stopped, opened her bag while the other lady helped her stoop over to pick up a cigar butt which she nonchalantly tossed into her bag and hobbled away to repeat the action about ten feet further along . . . I have never stood for any length of time in front of the Mark Hopkins, the Palace, the Clift or other big hotels in San Francisco to see if anything like that goes on, but it does in Los Angeles, because I saw it, and my eyes were not all smogged up either.

A CAPELLA CHOIR HERE 20 YEARS

Frank Triena and his A capella choir of 72 voices appeared before the Campbell Kiwanis Club Tuesday with renditions of holiday music. The choir was started twenty years ago at Campbell High School and has been continued with replacements every year since.

Most of the numbers presented before the Kiwanis club were those to be presented tonight at the choir festival in San Jose. Program chairman was Dr. Howard Manson.

Gary Lukehart, who was named on the All-SCVAL team for the second consecutive year, was guest of Carl Field who announced that Gary has also been named All North Coast end by bay area sports writers and on the second team of the All-Northern California All-Stars. Gary is chairman of the paper drive for the high school in January to raise funds for student body projects.

Guests also included F. L. Callisch of San Jose and Cecil Spotswood of Los Gatos, Maria Martinez, Sherm Lindsey and Hope Noble.

Milt Nelson was given a pin for six years perfect attendance and William Henley one for ten years perfect attendance.

Lose Thirteen Men, Still

BUCS LOOK GOOD FOR BASKETBALL SEASON

by Bob Olson

It's that time of year to start switching interest from kickoffs, forward passes, and touchdowns to tip-offs, pivots, and one-hand push shots. Now that the Bucs have successfully defended their SCVAL championship in football, the question is: Can they do it in basketball, too, this Winter? This is a big question that won't really be answered until mid-February. Here is how the hoopsters stack up after only two weeks of competition.

The Buc Varsity and B's play Salinas here next Tuesday afternoon. The Varsity meet a strong Madera five from the San Joaquin Valley League on Saturday night, December 18th. The first conference game won't be played until January 14, 1955, against Los Gatos, in their new gymnasium.

In their first two games, the Buc Varsity won one and lost one. Led by Rahn Sparrer's twelve points, Campbell beat Live Oak 55-37

San Lorenzo 31; Campbell 33

here Wednesday afternoon. But on Friday night we ran into a tremendous Capuchino five at San Bruno and came out on the wrong end of a 49-37 contest, in which our Bucs were both outplayed and outfought.

The team lacks the reserve strength of last year's sixteen man championships, twelve having graduated. Of the remaining four, Bill Sutterfield recently left school to join the Navy, but Harris, Schraub, and Sparrer, and several new men show a lot of promise.

Jon Harris has, so far, been used at forward, but he is also a capable guard. He has a nice jump shot and is a good ball-handler, never allowing the defense to tie him up.

Tony Schraub at center is an all-around competitor and a great team-player who always seems to know what his teammates are about to do. Schraub is a most effective backboard rebounder and should help the Bucs gain and maintain ball control.

Guard Rahn Sparrer is a big boy (6' 6") who though young and inexperienced, has already shown spirit, and a rare faculty for intercepting enemy passes and picking up loose balls.

Success this year will depend upon new players—transfers, or boys up from last year's thirties. Phil Arman, whose family recently moved here from Arkansas, looks like the best bet. As a forward, he has shown nice movement, and knows how to use his faking jump shot. Vernon Lunt, a guard up from last year's Thirties, is a good defensive player. He is aggressive and a good shooter.

Coach Bert Robinson also has some good backboard men in Center Dick Buck, who was a standout on last year's "B" team, forward Boyd Fair, who gained valuable experience on the Junior Varsity Squad last year, and Guard Dick Kolte, who may develop into an outstanding rebounder and hustler.

Other men who show promise in allround team spirit as well as adept ball handling include Charles Cardona, Ray Christensen from Kansas City, and Bob Mitchell who recently moved here from the East Bay Area. Either on or all three of these may press the others for first-line berths. Ron Citta and Neil Arman from last year's JV squad, and Guy Calabro from New York State make up the rest of Robinson's squad at present.

It would appear that this will be a building year for the Bucs. After losing so many senior letterman last June, Robinson is building up a team made up mostly of juniors, who should mesh after one more year's experience. And then again, it might happen this season. The Campbell football team proved to be a surprise not because of individual stars but because players believed in and practiced unselfish teamwork.

Robinson trains all the men on his squad to play defense as well as offense, and each man learns to be ready for any situation, against any opponent, any time.

CAMPBELL ASKED TO OBSERVE S-D DAY WEDNESDAY

A committee of twelve has been named by Police Chief Robert Locke to serve on Safe-Driving (S-D) project proposed by Presiden Eisenhower. Mayor Richard Morton on Monday issued a proclamation for this observance in Campbell next Wednesday.

On the S-D Day committee are Police Chief Robert Locke and Homer Hyde, Duane Beaubien, Neal Royer, Ann Meridier, Wayne Fontes, Laurance Hill, Dorothy Royce, Henry Jewell, Les Harmon, Verle Grizzle, Miss Marion Hill and Lester Lafferty.

BURGLARS BREAK INTO SCHOOLS

Campbell Police are searching for a juvenile burglar who broke into the Campbell and Rosemary Grammar Schools sometime last Thursday night.

According to Police Chief Robert Locke, the burglar gained entrance by smashing glass windows at the rear of the buildings and ransacked the rooms.

A metal box containing $6.75 was taken from the shop at the Campbell Grammar School. An empty wallet and a pair of gloves were taken from the fourth grade room at Rosemary. These were found later on the school grounds where they apparently had been dropped. There was no other damage.

Campbell Sophs Debate Winners

Two sophomore students from Campbell High School, Everett Avila and Dennis O'Flyng won the feature event Wednesday evening in a debate with Bellarmine, a preparatory school at San Jose that made a good record last year in National Speech contests.

Campbell was host to Fremont High and Bellarmine, the debate topic being, "Resolved that Free Trade be Adopted by Nations friendly to the United States".

Teams were divided with A and B ratings, based on experience. The Campbell B took a win and a loss. Pat Belardes and Nancy Wibel for Campbell lost to Gerald Rogers and Jack Jimenez of Bellarmine. The Campbell juniors, Steve Dunn and Pat McClenahan won from Leddy and Kunimoto of Fremont.

In the main event with A teams, Avila and O'Flyng took first honors from Bellarmine. James Peabody is coach for the Campbell teams.

St. Lucy's Women Party Thursday

Villa Felice, near Los Gatos, was the setting for the Christmas luncheon of St. Lucy's Womens Club last Thursday with tables for the fifty guests decorated in the Christmas theme.

Following the luncheon, Mrs. Richard Bowen, president, conducted a brief business meeting in which plans were discussed for the Spring fashion show to be held on St. Patrick's Day. The show to be presented jointly by the Womens club and the Mothers' Guild. Mrs. Elmer Jones, program chairman, introduced the guest of honor, Mrs. Vladimir Fabris, president of Santa Clara Council of Catholic Women and organizer of the local chapter of the Y. L. I. Mrs. Fabris noted the club was a pioneer organization in the parish, and thanked it for the baby layettes presented to the council as a Christmas project.

Hostesses for the affair were Mesdames Poseph Souto, Manuel Silva, John Serpa, and Mary Triguero. Corsages worn by guest of honor, officers and hostesses were fashioned by Mrs. Mary Triguero.

BASKETBALL CLINIC TOMORROW FOR CAMPBELL SCHOOL DISTRICT

At least 160 boys enrolled in sixth grade classes of the eight schools of the Campbell Elementary School district will participate in the basketball clinic and tournament at four o'clock tomorrow afternoon in the Campbell High School gymnasium, under direction of Joe Stein, district physical educational director.

There is to be a demonstration of fundamentals following the tourney by the C team from Camp-High, co-champions for SCVAL.

The tournament will include teams of eight players each, with each school represented on each team. This is to acquaint boys of the various schools with each other. For the clinic there is to be a demonstration in dribbling, passing, shooting, free throws, team play and the three-man weave.

There are to be two five minute halves in the tournament except in the final game when winners play three five minute periods.

CAMPBELL SET FOR S. D. DAY

As the county-wide S-D (Safe Driving) Day committee headed by Glenn R. Baker moved into a hard-hitting campaign to make Santa Clara County streets and highways safe on Dec. 15, the day dedicated to safety by Presidential proclamation, high school students were getting solidly behind the program.

Carl J. Castro, senior at Abraham Lincoln High School in San Jose and chairman of the County Safety Council's Youth Committee, said today that material has been sent to all high schools, where members of the Youth Committee and the Hot Rodders Association are taking the lead

Mechanical checkups of cars will be held in the various high schools of the county this coming week, Castro reported, and every effort will be made to help achieve an accident-less 25-hour period

Moreland Plans Two-day Program

A Chrismas program open to the public will be presented by Moreland School on December 15 and 16 at 7:30 p. m. in the school cafetorium.

Each elementary grade will participate in a program of Christmas songs interspersed with song dramatizations. The orchestra, under the direction of Miss Margaret San Filippo, will play a medley of carols at the beginning of the program and between the various presentations. The seventh and eighth grade chorus will end the program with a group of numbers under the direction of Miss Dorothy Palmer, district vocal supervisor. All art work will be done by art classes under the direction of Jean Mercurti, shop and art instructor.

Mrs. Betty Hoagland, chairman of the program committee, and Frank Lavoi, principal of the school, will supervise

Rosemary Club Giving Turkeys

Children of the Rosemary School are making ornaments for the Christmas tree for the Rosemary Home and School Club meeting next Tuesday evening. A Christmas program has been planned by the orchestra under the direction of Wallace Johnson, and the Glee Club under the direction of Miss Mildred Callister and Bruce Stevenson. A cake and nut bread sale will be held following the meeting, proceeds to go toward the purchase of tumbling mats. Child care will be provided.

The Club also voted to donate two turkeys to Cub Pack 75 to help fill the Christmas baskets they are preparing for the needy.

The annual Christmas party for the children of the school will be held Friday, 17th of December.
